

# Lessons at Taylor Pond in Auburn

## Summer Fun – Skills for Life – Memories

### Sailing Lessons

Sailing lessons for kids from 8 to 18 are available on Taylor Pond in Auburn. Lessons are in 2 week blocks starting on June 26, July 10, and July 24. Classes meet Monday through Friday from 1:30 to 5:00 at the Taylor Pond Yacht Club.

A **Bonus Week** of sailing from August 7 to 11 is open **without charge** to any sailor who has participated in any one of the three earlier sessions. Session blocks are \$255 each with discounts for multiple sessions or membership at TPYC.

A shorter class is offered in a one week session starting June 19 for younger **Kids to Discover Sailing** before signing up for longer lessons. This is open to ages 7 or 8 from 12:30 to 2:00 at a cost of \$100.

All students must pass a basic swim test to participate in sailing classes. Students must wear a life preserver at all times on and near the water. Reach out if you are concerned about swimming ability.

### Scholarships

Scholarships are available to assist new sailors. Contact Mike Horn at [mikehorn2@myfairpoint.net](mailto:mikehorn2@myfairpoint.net)

### Why Sail?

Children who learn to sail get exercise outdoors and learn lifelong skills, self-reliance, responsibility, teamwork, weather, sportsmanship, and have fun. Sailors have self-confidence, coordination, character, social skills, adventure and, did we mention, fun.

### Swimming & Tennis Lessons

Swimming and tennis lessons are available in the morning. See full schedule on the back.
